RETURN

Our camp is well known for its fine food. Defying the clichés of “camp food”, Winnebago provides nutritious, balanced meals, desserts and snacks that are tailored to your group’s dietary needs and wants. Our food is served hot, quickly and in abundance in our 500 seat Dining Hall. We guarantee that your group will leave full and satisfied.

Our Dining Hall, and other indoor facilities, can be easily converted to suit all of your party needs.

At Winnebago, your group will be well taken care of. Each of our 20 cabins has indoor bathrooms and can sleep 14 comfortably on large cots and bunk beds. There are also over 15 private cabins for individual staff and guests.

OUTDOOR MEETING AREAS

Surrounded by beautiful trees and water, our outdoor Chapel (left) is a gathering place for large parties of up to 450 people.

One of the most beautiful views at Winnebago is the Lookout. This serves as a gathering and rehearsal space, fire pit for marshmallows - or just a quiet place to come and reflect on your day while watching the sunset.

Located in the heart of the Camp is what we call Main Field. This area is a perfect place for sports events, team building exercises or even an outdoor barbeque. Party or Event tents are ideal for this 90,000 square foot open space.

In addition to the traditional team sports facilities showcased on the previous pages, we are also home to both a full stable and two large riding rings, as well as a rifle range, tetherball and shuffleboard court

The administrative hub of Winnebago is our Office complex which looks over much of the property. Its interior supports meetings in one of five private offices, and acts as an organizational space for your rental purposes. Our Office is equipped with multiple phone and fax lines, photocopy capabilities, and WiFi throughout.

With 2 miles of shoreline, the beautiful camp site can be used for a multitude of water activities including swimming, canoeing, kayaking, sailing, windsurfing, pontoon boating, fishing, water skiing and wake-boarding.
